KING COUNTRY CHAMPS

A big CONGRATULATIONS to our 3 teams that ventured up to Te Awamutu Golf Club last weekend. The ladies played 36 holes on the Friday. The men played 36 holes on Saturday and then 18 holes on Sunday. The weather forecast was not very favourable and expectation was to get very wet! However Te Awamutu had other ideas and put on beautiful days although quite a bit of fog on Saturday morning before the sun broke through. The course was presented beautifully with very slick greens and lots of bunkers to navigate.

JOKE

Wife: You spend too much time thinking about golf! Do you even remember the day we got married?

Husband: Of course I do! It was the same day I sank that 45-foot putt.

GRANTS APPROVED

We have been successful with a Grant for \$2500.00 from Pub Charity for new signage. The signage is well overdue for an upgrade and we have Daryl O'Hara from Lasercraft designing new signage that will be installed in the very near future.

LET'S TALK ABOUT CARTS

- If you are using carts on the course **PLEASE REMEMBER** to fill in the sheet correctly.
- Please keep carts off all tee blocks in particular the 8th.
- If the course is wet please be mindful of taking the cart through wet areas.
- Carts are a privilege on the course and if they are not being looked after, or the course is being damaged through their use then they will not be available.
